

## Your chance to shine on A Night With The Stars

A concert at Sydney's Rooty Hill RSL on Saturday, May 11 will bring the realisation of a life-sized bronze statue of Reg Lindsay one step closer.

Some of Australian country music's favourite entertainers will donate their services to provide a great night of music and pay due respect to the legendary artist who gave so much of himself in a career spanning more than four decades.

"A Night With The Stars" is one of a series of concerts and special events devised to pay homage to one of the pioneers of Australian country music who paved the way for so many more to follow.

Songwriter supremo Allan Caswell, Australia's honky tonk queen Wanita and Tamworth songbird Jodie Crosby are just part of the star-studded offering of talent on the night.

Bob Morton and the Summerland Kings will keep the good music coming, performing alongside Ross McGregor, George Boyer and a very special guest.

Event organiser Ros Lindsay was quite secretive about the VIP guest but said there was no way the audience would be disappointed.

"I can't settle for less and I won't ... and you can bet your cowboy boots this artist will be working overtime to ensure we all have a great night out at Rooty Hill RSL," Ros said.

During the evening there will be an auction of some exclusive Reg Lindsay memorabilia, which includes a pair of his stage boots and one of his guitars.

Award-winning lensman John Elliott has also donated a large framed photograph of Reg to be auctioned.

Tickets are priced at just \$22 and can be purchased from the club by phoning (02) 9625 5500 or online at [www.rootyhillrsl.com.au](http://www.rootyhillrsl.com.au)

By coming along to the concert, you will claim part ownership of this magnificent tribute to an Australian country legend. Thanks for your support.
